

(c) Action is being taken to grant the land.

Sri B. N. BORANNA GOWDA.—In answer to clause (b) it is stated as “one application”; what about other applications?

Sri Kadidal MANJAPPA.—Only one application from an unemployed graduate as stated here was received.

Sri B. N. BORANNA GOWDA.—Are the Government aware that something like forty to fifty applications are pending in the Taluk Offices of Alur, Belur and Saklespur?

Sri Kadidal MANJAPPA.—There may be applications presented by other people but not from unemployed graduates.

Sri B. N. BORANNA GOWDA.—I am asking how many such applications were received?

Sri Kadidal MANJAPPA.—According to the information I have received from the Deputy Commissioner, only one application has been filed by an unemployed graduate and that application is pending.

Minor Irrigation Scheme in the State.

*Q.—150. **Sri D. ABDUL RASHEED** (Kolar).—

Will the Government be pleased to state:—

(a) the date from which the minor irrigation scheme came into operation in the State;

(b) the special staff posted to several divisions under this scheme;

(c) the nature of work which requires the Atchkatdars to pay contribution, water rate and betterment levy and the mode of payment, by instalments, etc.?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) 6th December 1957.

(b) *Vide* G.O. No. PWD 269 GTG 57, dated 5th December 1957, and G.O. No. PWD 352 GTG 53, dated 9/10th February 1959—Copies of Government Orders are laid on the table of the House.

(c) Levy of betterment contribution is to be governed by the provisions of the Mysore Irrigation (Levy of Betterment Contribution and Water Rate) Act, 1957.

Sri D. ABDUL RASHEED.—May I know whether all the recommendations of the committee held on 14th and 15th November 1957 are implemented in regard to M.I.S.?

Sri M. N. NAGHNOOR (Deputy Minister for Public Works).—I do not know to which committee the Hon'ble Member refers.

Sri D. ABDUL RASHEED.—The one which was held on 14th and 15th November at the Residency and according to the recommendations of which Government Orders Nos. PWD 269 GTG 57, dated 5th Decembr 1957 and PWD 352-58, dated 9/10th February 1959 have been issued.

†**Sri H. M. CHANNABASAPPA.**—Whatever the Government has accepted, orders have been issued in that direction.

Sri G. SIVAPPA.—May I know the amount provided and the amount spent here?

Sri H. M. CHANNABASAPPA.—The total amount provided for minor irrigation will be under four heads, namely, (1) normal budget provision outside the Plan, (2) normal provision within the Plan, (3) special irrigation within the Plan and (4) provision under the C.D. and N.E.S. Blocks. The amount provided this year under the Plan provision including special programme is Rs. 100 lakhs and for schemes outside the Plan it is Rs. 86.27 lakhs making a total outlay of Rs. 186.27 lakhs. The provision varies from year to year, but on an average it comes about Rs. 40 lakhs.

Sri G. SIVAPPA.—That is the amount provided, but what is the amount spent? My point is that about 50 per cent of the provision lapses.

Sri H. M. CHANNABASAPPA.—I can give the figures of expenditure also. Upto January 1959 we have spent Rs. 40 lakhs. Against the provision for normal and within the Plan programmes the latest figure of expenditure is of the order of Rs. 16 lakhs. This is up to October. I have phoned for the latest figures which I hope to get in a few minutes. The expenditure for normal outside the Plan programmes is of the order of Rs. 26 lakhs up to October. I will get the latest figures up to February end in a few minutes.

Sri D. ABDUL RASHEED.—Have Government appointed any staff for estimation work exclusively?

Sri H. M. CHANNABASAPPA.—I have made it very clear to Hon'ble Members that orders have been passed creating an investigation unit at a cost of Rs. 15 lakhs per year and postings are also being made.

Sri D. ABDUL RASHEED.—Is it a fact that staff is entertained only for four months?

Sri H. M. CHANNABASAPPA.—But that is being extended as and when necessary.

Sri Y. VEERAPPA.—Have Government framed rules regarding levy of betterment contribution and water rate?

Sri H. M. CHANNABASAPPA.—Since it is the intention of Government to amend the Act during this session,

we have thought it better to frame the rules immediately after the amendment is passed.

ಶ್ರೀ ಎಂ. ಎಂ. ಪಾಟೀಲ್.—ಹದಗಲಿ ತಾಲ್ಲೂಕಿನಲ್ಲಿ ಸಣ್ಣ ಸಣ್ಣ ನೀರಾವರಿ ಯೋಜನೆಗಳನ್ನು ಯಾವ ಯಾವ ಭಾಗದಲ್ಲಿ ತೆಗೆದುಕೊಂಡಿದ್ದೀರಿಂಬುದನ್ನು ಹೇಳುತ್ತೀರಾ?

Sri H. M. CHANNABASAPPA.—I can give the Hon'ble Member figures for the Circle. If the Hon'ble Member wants from taluk to taluk or hobli to hobli that also I would be prepared to give.

Sri RAMAKRISHNA HEGDE.—Is it a fact that the slow progress is due to lack of adequate staff, and if so, what is the action taken by Government to augment the staff?

Sri H. M. CHANNABASAPPA.—I would like to submit that with the available material what best can be done has been done. It is the intention of Government to further increase the tempo. The steps taken for this are: (a) creation of investigation units and relieving the existing executive units of the burden of investigation. That will take away a good portion of the work and naturally the tempo will go up. (b) The investigation units prepare plans and estimates of all possible and feasible projects and prepare blue prints prescribing the order of priority. The present executive units will go ahead with them according to a planned programme. (c) There is also a proposal to enhance the sanctioning power of engineers so that we may decentralise the whole thing and thus it is possible that the works will be pushed through more expeditiously.

Sri U. M. MADAPPA.—What are the establishment charges incurred on the special staff?

Mr. SPEAKER.—That is outside the scope of the question.

Sri U. M. MADAPPA.—May I know the aims and objects of posting staff?

Sri H. M. CHANNABASAPPA.—If the Hon'ble Member does not know the object of posting staff, it would be difficult for me to carry conviction to him.

Sri S. D. GAONKAR.—May I know the amount that has been spent on minor irrigation since the inception of the scheme in the State?

Sri H. M. CHANNABASAPPA.—The figures given are for the current year. If the Hon'ble Member wants to know what was spent last year, the figures are not before me. I can furnish them later.

Sri D. ABDUL RASHEED.—Is it a fact that the instructions issued regarding collection of contribution, etc., in the several Government Orders are confusing?

Sri H. M. CHANNABASAPPA.—They are not confusing. On the other hand, they are made very clear in the Act passed by the House.

Sri G. B. SHANKAR RAO.—May I know the duration of these schemes?

Sri H. M. CHANNABASAPPA.—Plan period.

Sri G. B. SHANKAR RAO.—Have Government prepared a list of works to be undertaken under this scheme?

Sri H. M. CHANNABASAPPA.—Government have before them enough of projects which are already investigated and sanctioned. We are also going on preparing plans and estimates. During the last Irrigation Week many of the Hon'ble Members have given a list of works. We also maintain a list of works.

Dr. R. NAGAN GOWDA.—What is the nature of the staff appointed for the investigation units?

Sri H. M. CHANNABASAPPA.—We have appointed two Superintending Engineers and created two circles, one for old Mysore area and the other for the other integrated areas. The headquarters of one is in Mysore and the other is in Dharwar. Two Superintending Engineers, four Executive Engineers, twenty seven Assistant Engineers and a number of Supervisors and subordinate staff have been appointed.

Sri Y. VEERAPPA.—Has it come to the notice of Government that some of the officers are irrationally collecting water rates outside the rules?

Sri H. M. CHANNABASAPPA.—I am afraid I have to say no, because no such thing has come to the notice of Government.

Establishment of Taluk Co-operative Supervising Unions in the old Mysore Area.

*Q.—156. **Sri D. ABDUL RASHEED (Kolar).**—

Will the Government be pleased to state:—

(a) whether Taluk Co-operative Supervising Unions are functioning in the integrated parts of Mysore State;

(b) whether they propose to establish such unions in the old Mysore area also?

A.—**Sri MALI MARIAPPA (Minister for Co-operation).**—

(a) Yes.

(b) The question is under the consideration of Government.

Sri D. ABDUL RASHEED.—What were the reasons why such unions have not been constituted in old Mysore area?

Sri MALI MARIAPPA.—Formerly, there was no such union in old Mysore area.

Sri D. ABDUL RASHEED.—Was there a Committee appointed to find out the necessity of such unions in old Mysore area?

Sri MALI MARIAPPA.—There was a Committee appointed to go into the whole system of Supervising Unions in all the integrated parts and they have submitted a report.

Sri D. ABDUL RASHEED.—What are their findings?

Sri MALI MARIAPPA.—The matter is still being considered by Government.

Supply of Village maps or records to the Village Panchayat Committees.

*Q.—169. **Sri B. R. PATIL (Hangal).**—

Will the Government be pleased to state:—

(a) the rules conditions, procedure and fees prescribed for getting extracts from Government in respect of each village site distinctly containing all the house sites, streets, open spaces, public places and other important details within the village limits called Gaonthana;
